## Smart Young and Uprising Farmers' Agribusiness Summit

27th – 28th Nov 2025 at Menlyn Pretoria (TBA)

It will be held in Pretoria, South Africa on the 23rd –24th of April, 2026.

This Summit will be Hosted by over 30 prominent speakers and attended by over 100 participants. We are pleased to welcome you to this event.

The (SYUFAS) is a prestigious summit with the goal of giving Young Farmers, agricultural engineers, researchers, soil scientists, AgTech innovators, policy makers, students, and industrial experts working in the fields of agriculture, agribusiness a great international forum to share their research findings with other experts and Inspire Uprising Farmer and all Future Farmers to fully utilize Technology successfully towards economic development.

The event aims to promote an exchange among stakeholders on knowledge and good practices regarding the combination agriculture, youth employment, entrepreneurship and ICT Innovations in agriculture and rural development. It highlights how International Organizations, gvts, the private sector, civil society and all developers can leverage expertise and contribute to the groundwork already laid out.
